July 1, 2018

We welcome you in the name of the Lord Jesus.

We are honored with your presence. If you do not have a church home, you are invited to join us regularly. Please introduce yourself to Pastor Jeremy Lucke as you leave today and sign the guest book in the entryway. You may also wish to complete one of the pew cards and drop it in the offering plate. Beverages, snacks and fellowship time follow the service in the Fellowship Hall. Everyone is welcome.

The ringing of the bell and the lighting of the Christ candle mark the beginning of our service and a time for quiet meditation, prayer and inward reflection as we begin our worship.

Children are welcome at our worship services. However, if you prefer, Peace Lutheran has a nursery equipped for children *three years old and younger*, the room is unstaffed and can be accessed via the hallway from the narthex. There is a speaker that will allow you to listen to the service. You are also welcomed to use the Fellowship Hall and hallway to walk a noisy child; it also has speakers. Please speak to an usher if you need assistance.

Holy Communion is celebrated every first, third and fifth Sundays of the month and will follow the order of service in the bulletin. Guests, if you are a baptized Christian and share our faith in Jesus as Savior and have been instructed in the meaning and use of the Lord's Supper, you are invited to come to the altar. If you prefer grape juice to wine, take a cup from the center of the communion tray. We also have gluten-free wafers available. If you desire a gluten-free wafer, ask the server. May the body and blood of Jesus, present in the bread and wine, be a blessing to you. There are times during the service when you will be asked to stand if you are able. Please feel free to remain seated if standing is difficult.

Peace Under the Stars is returning this summer!

Please join us in welcoming our favorite astronomer John Cowens,
NASA/JPL Solar System Ambassador and Oregon State University's Astronomer in
Residence as he presents:

What's up in Tonight's Sky?

Thursday, July 19, 2018 at 7:00 pm

John will be leading an informative discussion about each of the planets in the
July night sky, along with features and facts on several constellations in our night sky.

We will begin the evening in the fellowship room and then move out to the courtyard
to sit under the stars for telescope viewing. Some fun activities and special treats are
being planned as well.

If you came to our Eclipse event last year, you will remember his great presentation
and won't want to miss this new and exciting presentation. If you missed it, you
should definitely plan on coming this year!
